

# A-Z History Book

40 points

## *Your Task:*

Create a book explaining 24 terms, people, places or ideas from a given historical time period. Each page will consist of a single word starting with a letter from the alphabet, a graphic, and a short explanation of the term. This should be completed with a partner.

## *Directions:*

1. Take 7 pieces of white paper and fold them in half.
2. On the front cover design a title page.
3. On the next two pages create a table of contents.
4. On each of the 2 panels of the remaining pages:
  - a. Beginning with the letter “A” choose a term from the unit that begins with that letter. Example: If the page is ‘J’ and this was the unit on Asia you might choose “Japan”. You may choose any two letters to skip if you want (Q and X most likely!)
  - b. Write the term in big, colorful letters on the top or bottom of the page.
  - c. Write at least 3 sentences explaining what the term means.
  - d. Draw and color a picture to go along with your term. This could be a map, chart or your own drawing.

Example:

<b>Japan</b>  Japan is an island country. It is isolated because it is surrounded by water. Legends say water drops from a spear created it.  	<b>Korea</b>  Buddhism came to Japan from China through Korea. Japan traded with Korea regularly. The Mongols conquered Korea and tried to attack Japan from there.

5. On the back page create a back cover for your book with a short summary of what is found inside.
